

HELP US GROW HEALTHY KIDS FOR A HEALTHY FUTURE!

Farm to School Healthy Snack Program Stevens Point Area YMCA

Help us make a positive impact on the health of the youth in our community! Last school year, Farm to School—a YMCA program focused on supporting local agriculture, promoting children’s health and increasing knowledge about local food and the environment—started a snack program in partnership with Chef Christian’s restaurants and Central Rivers Farmshed. We provided a healthy snack once a week to eight classrooms (over 185 students!) at Madison, McKinley and Jefferson Elementary Schools during April and May.

Would you like to provide a classroom with a healthy, local (and often organic) snack? Because of the support from local farmers, businesses, other non-profits and our partnerships, we are able to provide a snack to each classroom for as little as \$5! You can join our efforts at one of three sponsorship levels:

Sponsor a Classroom
\$200/entire school year
(you/your company will receive recognition)
\$20/month • \$5/week

By returning the attached form, you are helping us promote positive change in a classroom, for a lifetime of healthy eating habits!

HEALTHY SNACK PROGRAM PLEDGE FORM

Yes! I want to sponsor a classroom with my gift of: \$200 (entire school year)* \$20 (one month) \$5 (one week)

Check/Cash Enclosed Please Invoice

Charge My Credit Card (Y staff will contact me to confidentially collect my credit card information)
