Dear Parents and Participants of YMCA Fall Outdoor Soccer,

I would like to welcome you to the YMCA Youth Sports Program. The program will be located here at the YMCA Soccer Fields. I am looking forward to a fun filled and exciting season. It is truly the greatest thing to see when a child learns a new skill and is able to make new friends at the same time.

Many of you have been in our program in previous years and I am looking forward to working with you all again this season. For the new comers, I am looking forward to getting to know all of you so we can provide the best program for the participants in a safe and healthy environment.

The YMCA program provides a general introduction to soccer in a fun atmosphere. Teamwork and values of good sportsmanship are covered and practiced through fair play. The philosophy of the YMCA Youth Sports is everyone plays, everyone wins.

YMCA Outdoor Soccer will begin on Saturday September 08, 2018. A brief welcome meeting will be held on Saturday morning before the start of each game for all parents, players, and coaches to introduce the players to their coaches, get everyone on the right field, to go over any questions and welcome everyone to the program. The optional skill development for K-6 Grade will begin on Wednesdays starting September 12, 2018 from 5:30-6:30 PM on the YMCA Soccer Fields.

What To Bring: Comfortable clothes for your child (weather appropriate) normal shoes are fine. Cleats may be worn as long as they are the rubber cleats. Shin Guards are strongly encouraged.

Bad Weather: Decisions are made as early as possible (between 7:30-8:00am) cancelations will be posted on Facebook and online--www.SPYMCA.org—website, main page. Feel free to call in, or as usual please use your best judgment and parental discretion.

Volunteer coaches are essential in the success of the program; we are in need of coaches. If you would like to coach, assist, or even just help out I would like to encourage you to try it, the experience many times is just as rewarding for the coaches as it is for the children. If you are interested, please contact me at (715) 342-2980 Ext. 331 or email mprince@spymca.org for more details. We will provide any training for any new coaches.

Yours in Service,
Michael Prince
