Dear Parents and Participants of YMCA Coed Basketball Madness League,

Welcome everyone, I am very excited about the upcoming basketball season and hope you are too. The season will be filled with fun and enjoyment, along with learning the fundamentals of basketball in a non-competitive, fun environment.

The Basketball Madness program starts on Saturday February 8th, 2020 to April 4th, 2020. This 7 week program will consist of (1) practice the first Saturday with Games the next (6) weeks.

This Saturday will run as follows: Brief coaches, and players meeting to update everyone on the season and get players in correct areas. Players will work with volunteer coaches, and teams to learn the necessary skills and fundamentals.

Each grade should report to the main gym according to the times on your schedule. Included with this Welcome letter (Email) you will find both Schedules and Team Rosters. Please be on time for every practice and game. Also there will be extra copies of Schedules and Team Rosters at the score table on Saturday located in the main gym.

Please pay close attention to the schedule, on March 14th & March 21st No Games are scheduled.

The goal of the program is to give all the participants the same opportunities and equal playing time while learning our four core values of Respect, Responsibility, Honesty and Caring. We believe that everyone is here for the same reason; to have fun and get an early start on developing the skills needed for Basketball.

Volunteer Coaches are essential to the success of the program and we are still in need with many of our teams still needing coaches. If you would like to coach, assist, or even just help I would like to encourage you to try it. I would be happy to provide a Coaches Guide and Drills for any parents interested in coaching.

If you are interested, please contact me at (715) 342-2980 Ext. 364 or just ask for me (Jon) on Saturday for more details.

Kindest Regards,

Jon Gutierrez
